MARDALE MONARCH 18th — every calf crop by Duncrahill Monarch has been consistently good and they seem to keep getting better. He sired the 1952 Nebraska State Fair grand champion bull, Braemor Ambition. He sired the 1952 Nebraska State Show and Sale grand champion and reserve grand champion bulls. Likewise, the champion and top selling 1951 Nebraska State Show and Sale champion bull. Mardale Monarch 18th is a very good headed, short legged, blocky bull that has been pegged by reliable prospect for the senior yearling classes next year. He is bred right. His sire is a half brother to the 1951 Perth champion bull. His dam is a straight Scotch bred Maud by a top breeding son of the Perth champion, Calrossie Mercury. Here without a doubt is the best bull we have ever offered for sale and he is from the same Maud family that produced our 1952 Nebraska State Sale champion and top selling bull that went to Colorado.

PLAINVIEW DEFENDER — is sired by Marellbar Defender, which is a full brother to the 1949 International grand champion female. Plainview Defender's half sister by the same sire, was grand champion 4-H heifer at the last Iowa State Fair and stood second in a strong class of summer yearlings in the open class competition. This good bloodline and the good individual characteristics of this bull should make him a top sire.
